A new option is available on the upper navigation bar “R&J”.
When you select the option “R&J Courses” you will be sent to the R&J Courses page.

You will see a list of all the R&J Courses.

“Event Type” is the certification level of the Course.

“Opened To” is the minimum certification level required to participate.

Click on “View/Edit Entries” to add your NF Participants and Room and Visa information (only possible if the registration is still opened)
To add a new participant select him from the “Participant” dropbox and click “Enter” (only R&J’s with the minimum certification level will be on this list)

For each participant you can click on the left icon to edit the Room and Visa details.
