Mr Pasquale (Pat) L Fiacco
Country Canada
Year of Birth 1962

Boxing Experience:

My involvement in sport is long and extensive. I have served in the 2004 Athens Olympics as the Canadian referee and judge and at the 2012 London Olympics as the Deputy Supervisor for the sport of boxing. I was elected to the AIBA Executive Committee in 2014. I served on the AIBA RJ Commission from 2010 to 2017 and was then appointed as the Chairman of the Technical and Rules Commission in December of 2017.

As a member of the AIBA Executive Committee, I was relentless in the pursuit to ensure that there was full transparency in the reporting of the AIBA Financial Statements. Even though this was met with resistance from the past President CK Wu, my EC colleagues supported me and ensured that the Financial Statements were made public.

I’ve held provincial and Canadian amateur boxing championships, such as Canada’s amateur bantamweight crown in 1980. I have served as the Head Official of Boxing Canada and have held the position of President of Boxing Canada since 2012.

Leadership:

I was elected as the Mayor of Regina in 2000 and held the position until 2012 when I opted to not run and focus more heavily on boxing. During my time in office, I served as a member on the Regina Regional Economic Development Authority (RREDA); the Mayor’s Task Force on Regina’s Future; the Regina Board of Police Commissioners; the Regina Crime Prevention Commission; the Wascana Centre Authority; the Big City Mayors’ Caucus; the Canadian Capital Cities Organization and the Saskatchewan City Mayor’s Caucus.

Business Experience:

I also bring a wealth of leadership skills and business experience. In addition to my strong business background cultivated during 20+ years at senior executive levels, I have governance experience gained during my time in office.

I’ve served as the Chief Executive Officer of Tourism Saskatchewan and the Hospitals of Regina Foundation. Since August of 2015, I have held the position of President and CEO of Four Horse Development, the economic development arm of Sakimay First Nation.
Mr MAURO JOSÉ DA SILVA
Country    Brazil
Year of Birth  1956

I started my career as referees and judge, where we have been fighting for years until 2008.

From 2009, we began our job as President of the Brazilian Boxing Confederation.

Immediately our modality took a new direction, since the previous board was catastrophic. in less than a year and a half, we have achieved results that were previously impossible.

Conquest of gold medals in the World Championship of elite and young men and women.

After these first achievements we did not stop and then came the young Olympic medals and the elite men's and women's medals in London. 01 silver, 02 bronzes including the first woman to win medal at the Olympic Boxing Games.

We continued our work where we were crowned with the gold medal in the Olympic Games Rio 2016, the first gold of our history.

Today, our 60kg female athlete is the current Pan-American champion and South American champion, continuously obtaining results in the main European championships.

We have built and supported high-level courses in AIBA referees and judges, which was fundamental for the development of our modality in Brazil.

Other conquerors followed, as champion by team in continental and South American games.
To conclude in the last games of the Youth Olympics in Buenos Aires once again the gold and this accompanied with a bronze.

I am currently a member of the AMBC executive, a member of the AIBA Referees and Judges Committee and AIBA AOB Supervisor.

I still have a lot of energy to put on the AIBA service, I count on your support.

Mauro José da Silva
President of the Brazilian Boxing Confederation.

**Email:**  
shellymiranda@yahoo.com

**Education:**  
Hotel Management at National Hotel Institute Bandung, Indonesia

**Working experiences in boxing:**  
- Secretary General of the Indonesian Boxing Association since 2016  
- Member of the AIBA Women's Commission since 2012  
- Certified AIBA ITO since 2012  
- Certified AIBA Supervisor/Technical Delegate since 2016  
- Executive Committee member of the Asian Boxing Confederation (ASBC)  
- Chairwoman of the ASBC Women's Commission in 2011-2015  
- Competition Manager of the 2018 Asian Games

**Introduction:**  
I started my sport career as a swimmer which helped me to raise my stamina, endurance and the capability to exceed my limits all the time. I was bronze medallist in the 200m butterfly swimming and in the 4x100m medley relay at the Bangkok 1978 & New Delhi 1982 Asian Games therefore I know the feeling and the motivation of our athletes. Following my sports career and studies I worked in public relations, event organizing and management areas. I have been supporting Indonesia's boxing life since many years. I am the only woman Technical Delegate in Indonesia in all sports and the first one in the country’s sport history in this high international position.

I am voluntarily working as the Secretary General of the Indonesian Boxing Federation in my general daily work and I have been supporting the world's boxing life as ITO since 2012. I was the Supervisor of the Guwahati 2017 AIBA Women’s Youth World Boxing Championships and also the Ho Chi Minh City 2017 ASBC Asian Confederation
Women's Boxing Championships and Deputy Supervisor of the Gold Coast 2017 test event of Commonwealth Games.

As Competition Manager of the 2018 Asian Games I was responsible for all aspects of the organization, all the hard work paid off with two bronze medals we got after 20 years Indonesia boxing never got any medal. And the best of all, one of the bronze medalist is our *woman* boxer of 60 Kg, she is the first woman Asian Games medalist in Indonesia boxing history! Another amazing moment came into my life when I was selected as one of the torch bearers during the Asian Games Torch Relay.

**My motto in boxing:**
Everything is possible with the right attitude, passion and hard work.

**My philosophy in boxing:**
I believe in the clear sport, respecting each other during the competitions and in the fair play of boxing in and out of the ring.

**My vision in boxing:**
I will fight for all areas of the gender equality in boxing to raise and develop women's boxing from the grassroots up to the highest performance. My main objectives are to raise the number of female competitions in the world and the quantity of women's officials, coaches and referees & judges.

I started a hard work and built up a development strategy in Indonesia one decade ago and after my national level duties I was involved to the international competitions in 2011. I feel that I have to continue my road in this lovely sport to serve the world's boxing life and to support the National Federations in better way.

We have tradition, heroes, values, and strong star boxers in each continent. Boxing has strong potential in all areas of the World and I believe our traditional combat sport will have a bright future. I am ready to use all of my knowledges, experiences and attitudes to raise boxing into another level.

**My Personal skills:**
- Strong management skills
- Problem-solving
- Assertiveness in directing
- Decision making
- Strategic Planning
- Strategic Thinking
- Conflict management skills
- Organizing and creating structures
- Project management
- Event management
- Economical skills
- Understanding boxing and the international environment of sports

**My language skills:** Indonesian, English, Mandarin

Dian is known as the catalyst for the resurgence of boxing and the introduction of fencing in Sri Lanka. A former Junior National Flyweight Champion in Boxing himself, Dian has been an ardent follower of the sport and has been actively engaged in its administration for the past 15 years. He was elected as president of the Amateur Boxing Association of Sri Lanka (ABASL) for 8 consecutive years where he was instrumental in introducing corporate thinking to the sport implementing a long-term strategic plan for the Association which resulted in a boxer participating in the Beijing Olympics in 2008 after a lapse of 40 years. He has also served in the Amateur International Boxing Associations (AIBA) Women’s Commission and was the first Sri Lankan to be appointed to the Commonwealth Advisory Board on Sport (CABOS).

• 2016 President of Arab Federation for Voluntary Activities.
• 2016 Chairman of Boxing Arab Committee.
• 2018 President of Development and planning commission in UWW-Asia.
Boxing in India was going through its leanest phase. Years of mismanagement had resulted in boxers being uninspired and disheartened, and the sport itself was fading from the minds of the general public. What was needed, was a miracle. It was during these tumultuous times in September 2016, that Boxing Federation of India (BFI) was constituted.

The very next need of the hour was strong, level-headed and dynamic leadership. And Mr Ajay Singh was elected as its first President. For the very few who don’t know yet, Mr Singh is known as “the turnaround man of the Indian aviation industry”.

SpiceJet, one of India’s most prominent airlines was reeling under huge losses. It was at the verge of shutdown when Mr Ajay Singh took charge. It was under his command, as the Chairman and Managing Director of the airline, that it took flight again. And how!

No wonder he scripted yet another turnaround story. This time for the sport of boxing in India.

Mr Ajay Singh, along with the new office bearers at BFI left no stone unturned in changing the fortunes of the Federation, as well as the sport of boxing in India. In just 2 years, BFI held the distinction of having hosted AIBA Commissions Meetings, AIBA Youth Women’s World Championships 2017 and now, will play host to AIBA Women’s World Boxing Championships 2018. In addition to these, BFI has also hosted a number of National Championships at Elite, Youth and Junior Levels for both Men and Women, thus taking boxing to the nooks and corners of India.

The efforts put forth by him and his team is reflected in the performance of boxers beyond the National Championships. BFI has participated in a
number of Championships and Tournaments organised by AIBA, ASBC and other brother Federations resulting in a huge exposure to Indian boxers. It has increased the level of skill and the confidence of these boxers to the extent that they have, since September 2016, been able to win a number of medals in international exposure programs. The Indian Boxing Team won 9 medals at the 2018 Commonwealth Games with all 8 Men Boxers picking up a medal each.

In a first for Indian Boxing, BFI has also started an annual event ‘India Open’ International Boxing Tournament since 2017 and also, Indian Boxing League in which prominent boxers from across the globe will participate.

‘A miracle indeed’, some would think. ‘Just another day at office’, Mr Ajay Singh himself, would rather term it as.

Autobiography

I, Artur Samvel Gevorgyan, was born on April 1, 1975. I studied and graduated from Davitashen School N 189 named after Samvel Gevorgyan, which later was given the name of the hero of the Artsakh war, the Order of the First Degree of the Fighting Cross of the Republic of Armenia, the commander of the "Sasna Tsrer" militant detachment Samvel Gevorgyan.

Since 1987 I have been involved in boxing. In 1989 I became the winner of the Junior Championships of the Union of Soviet Socialist Republics, completing the master of sports norms. In 1994-1996 I served in the Armenian army. In 1996, I graduated from the Yerevan State Institute of Physical Culture. In 1998 my name was registered in the epic book of the Armenian State Institute of Physical Culture. In 2012-2014 I entered and graduated from the Yerevan State University's Master of International Relations Department. I have a diploma qualification.

In 1996, I took the fifth place in the 26th Olympics in Atlanta, defeating one of the meetings by Floyd Mayweather.

I have been awarded the title of Master of International Sport. In 1998 I became the winner of the European championship. In 2000, I participated in the Sydney Olympic Games. From 2005 to 2008, I was the deputy head of Davtashen community in Yerevan. On May 18, 2008 I was elected head of Davtashen community. On June 15, 2009 I was appointed head of the Davtashen administrative district of Yerevan:

I was elected Member of National Assembly in the 2012 and 2017 parliamentary elections:

In 2012, I was awarded the highest award of Yerevan, the gold medal of Yerevan Mayor:

In 2014, I was awarded the National Medal of Honor for the contribution to the development and prosperity of Armenian sport.

In 2013, I was elected the President of the Armenian Boxing Federation:

During my work time the Armenian boxing team had a lot of great ups such as the European champion, the 3rd place winner of world boxing championships, 5 Olympic athletes and many winner of international tournaments.

I am married, I have 3 children, 2 daughters and a boy.
Mr Suleyman MIKAYILOV  
Country Azerbaijan  
Year of Birth 1962  

Suleyman Mikayilov was born in April 27, 1962 in Nakhchivan, Azerbaijan. Since childhood he started to practice boxing. As young boxer he was involved to local and international tournaments. He was selected as a member of Dynamo Sport Club of former Soviet Union. Suleyman Mikayilov involved to represent USSR as one of leading young boxers of Dynamo Sport Club. He was several times Azerbaijan Champion and medalist of former USSR.

Interest to boxing enabled him to open wide scopes of global sport. Becoming member of USSR team he started to get sport and physical science at Azerbaijan Academy of Sport. After graduating Academy he was very active in global boxing world. In 1996 he become international referee and judge of AIBA. Since 2010 he is serving AIBA Executive Committee member and EC Bureau. As sport official he was attended at Olympic Games in Sydney 2000, Athens 2004, Beijing 2008, London 2012, Rio 2016.

Together with boxing he is very active in social and political life. He started to continue his education at Azerbaijan State University in the field of law. He was graduated University with honor diploma and become lawyer. Since then he has been involved to work at different ministries of force in Azerbaijan. He gained the rank of colonel while being chairman of Baku Custom Committee head office. He continues his activity as government official. Since 2004 he serves governor of different regions of Azerbaijan. He was governor of Yardimli, Lankaran regions of Azerbaijan. Currently he is governor of Garadagh region of Baku, Azerbaijan.

Our motto is strong sport needs strong leaders.
Belarusian Boxing Federation with the support of NOC nominated me as a candidate for the position of AIBA Executive Committee Member.

At the age of 14 I put on boxing gloves for the first time, and today boxing and me is a single entity for more than 50 years.

**SPORTS BACKGROUND**

- Member and the Captain of the USSR National boxing team (super heavyweight category)
- USSR Cup Winner
- Universiade Champion
- Winner of 6 bouts in the Dual matches between the USA and the USSR National Teams
- Winner of a series of major International Tournaments Category A
- Senior coach of the National boxing team of the Republic of Belarus

**EDUCATION BACKGROUND**

Higher pedagogical education, Boxing coach (Belarusian State University of Physical Culture)

Higher economical education (International Economic Management, Turin, Italy)

After completion of my sports career I intensively keep on working for Belarusian boxing federation and NOC of Belarus. Since 1994 I have been elected as BBF Executive Committee member and BBF Vice-president, and as from 2010 I am the President of Belarusian boxing federation.

Since 1997 I have worked as the General Director of Belarus – USA joint venture “Western Technologies” (machine engineering).

My experience as the EUBC Executive Committee Member, BBF President, NOC Member and General Director of joint venture provides me with the opportunity to conduct well-directed work for popularization and development of Boxing.
The EUBC European Confederation Boxing Championships were twice conducted in Mins (1998 and 2013). More than 100 Boxing Tournaments are held in the country every year.

Belarus was one of the first countries to realize the European project “School Boxing”. Much attention is paid to the development of women’s boxing and gender equality. Upon the initiative of the Belarusian side Boxing tournament was included into the program of the II European Games to be held in June 21-30, 2019 in Minsk.

Dear delegates!

In my address to you I am consciously not talking about the abyss on the edge of which boxers have appeared today. How could one ever imagine that the Sport, which is one of the founders of the Olympic Movement, can face the probable exclusion from the Olympic family?

Therefore, I am convinced that only the new President, the newly elected members of the Executive Committee and profile Commissions of AIBA and with the active participation of the National Federations will be able to restore the lost image of AIBA. I fully agree with the proposals on fundamental changes in governance system, transparency and democratization in the activities of AIBA. I am ready to take part in creation and implementation of the new programs of coaches, R&G and specialists training.

Regardless of the results of the vote, I will keep on defending the interests of the National Federations as the foundation of the development of World Boxing and protecting the rights of the boxers. Exactly in this I see the meaning and target of our collective work.

Sincerely Yours,

Dmitry TIKHOMOLOV

1998 - 2001 Master’s degrees in journalism and Public Relations, Sofia University

Languages
Bulgarian, English, Russian, Spanish, German
It is my privilege to be nominated for an Executive Committee member position of AIBA. I would like to briefly outline my competencies as to why I am a suitable candidate. I have had a lifetime in boxing balancing this with family, and my career as a senior financial development manager responsible for a multi-million-pound budget and investment portfolio. I have an international outlook and background, I speak three languages and, although living in England, I was born in Scotland to Italian migrants and I am proudly married with two daughters and five grandchildren.

My career in boxing is something that I am truly committed to and passionate about. My journey in Amateur Boxing began aged 10 and I boxed until I reached age 23, competing in over 100 bouts. Following this I became an official, starting at the grassroots in the North East of England and progressing through to Olympic and World Championships level. I became a major panel official and passed the EABA (EUBC) accreditation in 1992 followed by AIBA accreditation in 1996. This experience has seen me attend 92 International events as a referee/judge, which have included:

- AIBA World Championships at every level
- The Olympic Test Events for Athens 2004 and Beijing 2008
- Numerous Olympic Qualifying Tournaments
- Commonwealth Games (Manchester 2002 and Melbourne 2006)
- EUBC (EABA) Championships at every level
- Numerous Multi Nation and Dual Internationals
- National Championships at every level

I also proudly refereed one of the first female bouts in England soon after the ban on allowing females to box was ended. I am an advocate for diversity in our sport and the introduction of female boxing was, in my view, very much overdue and a valuable addition to boxing.

Following 20 years as an International Referee and Judge, I became a Director of both England Boxing and GB Boxing Ltd in July 2013. In 2014/15 I passed the International Technical Official (ITO) accreditation. As an ITO I have attended a number of both AIBA and EUBC major events, including the Rio 2016 Olympic Games and the 2017 AIBA World Championships. As well as being a Director, I Chair the England Boxing Technical Rules Referee / Judges Subcommittee and sit on the AIBA International Technical committee as its Secretary.
My parallel career has been in the Financial Services industry, where I worked as a senior business manager responsible for a team of up to 35 and a turnover of circa £10m. This brought me the experience, insight and understanding of the importance of strategy, development and building robust and accountable businesses and programmes. Something that will be vitally important in the coming years as AIBA rebuilds itself.

As can be seen above, over the last 50 years I can demonstrate a considerable amount of knowledge and experience in our wonderful sport from grassroots through to the highest international levels at both competition and committee level. This experience, including the technical and rulemaking knowledge coupled with my business management and strategic development competence, would, I believe, be an asset to the Executive Committee.

It would be an honour to be elected by you to help AIBA reform and improve its governance to become a leading Olympic sport.

ABOUT
I am a sports economist; my fields of expertise are concentrated in the areas of communication and media from the perspective of sport development. This means, I have well developed qualifications on accurate value assessment of a given sport for its promotion on the sports market. In simple terms, I have an extensive knowledge base on how to feature and advertise a sport, a business, or sport association with the goal of having it become a major player in the sports market. I have invested 15 years of experience in this field. I have held various leading roles in the field of communication, primarily in the business sector, politics and sports. As an athlete, a martial arts referee, sports manager and sports diplomat, I also worked outside of Europe. As a sports economist, I am dealing with strategic and competitiveness-enhancing issues. I devote extra special attention to women in sport, not only because I am a woman in leadership, but also as a representative of my country at various sports organizations. I am a sports journalist, as well. I write articles in printed and online media, mostly for sports-related magazines and sport economy sites. Moreover, I am responsible for the content of the website “Government Sport” – kormanysport.hu - owned by my company, which is about all sport-related investments and activities of my country’s government.

Mr Terry SMITH
Country       Ireland
Year of Birth  1944

I was born and educated in Ireland. Most of my business career was spent in the transport sector, oil distribution via sea, road and rail then airfreight and express parcel delivery where I held senior positions and obtained occupational qualifications in business management. For thirteen years before retiring from my business career in 2004 I was the owner of restaurants and bars.

When I was 10 years of age I joined a boxing club in Belfast and that was the start of a lifetime involvement in the only sport that has ever interested me.

I have boxed been a Coach, Referee/Judge and Administrator during my sixty plus years involvement.

A summary of my participation in recent years is as follows, a Member of the AIBA Executive Committee since 2006 served a National Federation, as Council Member, Vice-Chairman, Chairman and President. I have been Chairman of the AIBA R&J Commission in between 2006-2014, served as AIBA Technical Delegate in numerous AIBA tournaments the pinnacle off which was undoubtably the 2008 Olympic Games in Beijing. I have no also represented boxing on the BOA (British Olympic Association) 2000-04.

As part of my commitment to future generations of officials I am an AIBA R&J Instructor/Examiner and Evaluator.

Should I be fortunate and gain your support for what will be my final mandate I can assure you that I will continue to re-enforce the quality of facilities available to assist our Referees and Judges in obtaining the highest possible levels of efficiency, integrity and discipline.

Thank you for your support.
Mr Leszek PIOTROWSKI
Country Poland
Year of Birth 1965

Résumé
of Mr Leszek Piotrowski - candidate for the position AIBA Executive Committee

Mr Leszek Piotrowski has been connected to olympic boxing since 1970. After finishing career as an athlete, he began his work as a coach starting from the local club WDA Swiecic.

In 1992 Mr Piotrowski was appointed youth and junior national team coach. At that time his boxers won medals in Polish championships, European and world championships in all weight categories. During that time he focused on developing women boxing, searched for talented female athletes and engaged them in the olympic boxing. Finally, he established Polish women national team and in 2000 became its head coach. For twelve years at this position his boxers won impressive number of 198 medals in European and world boxing championships as well as qualifications for the Olympic Games in London in 2012.

For six years (2003-2009) Mr Piotrowski was a member of EUBC Women’s boxing commission, deeply engaged in promotion of female boxing in Europe and all around the world. He had strongly supported the idea of organization of European youth and junior women’s championships, which, for the first time in history, were organized in Poland in 2008. He organized international boxing events: Women’s European Boxing Championships (Warsaw, 2006), Women’s Youth & Junior European Union Championships (Katowice, 2011), Women’s Youth & Junior European Championships (Cetniewo, 2012).

For three years (2009-2012) Mr Piotrowski was a member of AIBA Women’s boxing commission.

He is the person, who introduced new ring suit for women i.e. skirts.

In November 2016 Mr Leszek Piotrowski was elected the President of the Polish Boxing Association and has held this function voluntary.

Country  Russia  
Year of Birth  1982

Umar Kremlev was born on November 1, 1982 in Russia, Moscow region, Serpukhov city.

Umar was fond of boxing since he was a child. He trained in the boxing gym Olimp under the coaching of Alexei Galeyev, along with future famous Russian boxers Fedor and Dmitry Chudinov.

He graduated from the Moscow State Academy of Communal Services and Construction.

From February 1, 2017 Kremlev became a member of the executive committee of Russian Boxing Federation. He was nominated the Secretary General of the Russian Boxing Federation.

Umar was the initiator of establishment of the Boxing Day in Russia. He has participated in the organization of the largest world boxing events.

Kremlev initiated first Global Boxing Forum, which was held February 1-4, 2018 in Sochi. This unique event brought together representatives of more than 130 countries, heads of all leading organizations, as well as leading athletes from around the world, Olympic champions, world champions and boxing officials.

Kremlev was awarded the Cross of the International Order of St. George Glory, the Certificate of Honour of the President of the Russian Federation, the medal “25 years to the Security Service of the President of the Russian Federation”. He was awarded the Gratitude of the President of the Russian Federation for his many years of diligent work and public activity.

**Activities as Secretary General of the Russian Boxing Federation**

Boxing development embraced all 85 regions of Russia from seven active before. Almost all of the regions the Secretary General has visited with working trips, discussed the development with regional authorities. Kremlev personally inspected a number of boxing schools and allocated a grant of 350,000 roubles for boxing equipment. Also, each regional boxing federation was sent sports equipment worth 1 million roubles.

The website of the Russian Boxing Federation has been completely updated; active work is underway to attract new boxing fans through social networks. As to promotion in the media, the Russian Boxing Federation leads in popularity among sports federations. Boxing news is regularly published on all federal media resources and on television. The growth in website traffic and social networks is increasing with each passing month; livestreams from boxing tournaments are gaining 100,000 views each at the average.

Important control bodies have appeared in the structure of the Federation. A Coaching Council, a Council of Champions, a Scientific Expert Council, and a Council of Veterans of Boxing were created. The Disciplinary Commission, the Doping Control Commission, the All-Russian Panel of Judges began their work. On a regular basis, seminars are held for coaches, referee and judges, serious work is being done to prevent judicial violations and to improve the quality of refereeing. Russia has become a centre for training international judges. Seminars of leading boxing organizations in Russia have already been held.
The coaching staff of national teams has been completely renewed, experienced experts have been invited, including cutmen, psychologists, nutritionists, videographers. The selection system for national teams has also been renewed - now the strongest boxers in their weight classes get into the teams. An experimental team under 22 years old was created. National teams are equipped in the best possible way. The bonus fund was created for the winners and prize-winners of all-Russian competitions; the boxers received their rewards.

The new regulations for the All-Russian competitions were created and approved, which made them more spectacular and bright and attracted hundreds of thousands of new fans. At the expense of the Russian Boxing Federation, live broadcasts of the top tournaments in Olympic boxing are held.

The AIBA-2017 Executive Board meeting was moved to Moscow, where Russia won the right to host the 2019 AIBA World Championship in Sochi, as well as the AIBA Congress 2018 in Moscow.

The first Boxing Progress Centre began its work in Moscow; such centres will be opened throughout the country.

**- What steps should AIBA take to develop boxing to make further progress?**

- I am sure that there are two fundamental questions for boxing - fair judging and encouragement of investment. These are the priority issues that we need to be focused at; they will entail a number of positive changes.

- What issues to solve do you see once elected as a member of the AIBA Executive Committee?

- I want to develop boxing not only in Russia, but all around the world. To achieve a new level, it is necessary to cooperate and communicate with National Federations, to hold tournaments at the highest possible level.

Boxing should become even more spectacular and unpredictable – to achieve it, we need to work on objective and neutrality of judging. We have to increase the number of participating countries in order to promote boxing in those places where, so far, athletes are not winning medals at major competitions. It is important for the leading boxers to be more media-friendly to become heroes for the younger generation. This is one of the issues worth paying special attention to.

I would like to bring the positive experience that we have inside the country to AIBA and to build in the same way cooperation with National Federations as we do have with all 85 regions in Russia.

**- How to encourage new investment in AIBA?**

- First of all, by increasing the spectacularity of boxing. For example, we conduct all the finals in the evening broadcasting live with professional cameramen. We have ring announcer and ring card girls, boxers are entering to the music. All that increases the entertainment of boxing, more spectators are coming to the arenas. So, boxing becomes more interesting for sponsors.

Another important factor is the development of social networks with the most relevant information. That also affects the interest of investors.

This is our experience, and I would like to share it both to AIBA and all National Federations.
Member of AIBA and EUBC Executive Committee since 2010. Starting from 1998 Eyüp Gözgec has been serving in various positions like executive member, vice president for Turkish Boxing Federation Boxing and in 2010 he was elected as President of Turkish Boxing Federation. Mr. Gozgec appended the signature to a lot of projects to popularize boxing and increase the number of athletes in Turkey, also he contributed efforts for Turkey to host the high-level boxing events such as Olympic Qualification, World and European Championships. Turkey's National Olympic Committee member Mr. Gozgec has been honored with the award of “Best AIBA Sportmanship 2013”.

ASPIRATIONS
I am committed towards introducing and implementing policies that will support and/or encourage more women and girls’ involvement, and participation in the sport of boxing.

Moreover, I believe that both men and women can, and should work together to build a stronger partnership that will better support the development and sustainability of boxing. Together, we can complement each other’s strengths and weaknesses thereby driving better outputs and outcomes that will reinstate the stature and reputation of boxing. Finally, it is important to me to establish key networks and partnerships to better support and serve our athletes.

OBJECTIVES
To encourage and engage more women in boxing at all levels, especially in the Oceania region through connecting and learning from fellow colleagues in other regions.

To identify and connect with key influential male role models that can champion the much-needed change in attitudes and behaviours of others towards women in boxing.

To create more opportunities of capacity development for coaches and sport administrators.

CAREER, EXPERIENCE AND PARTICIPATION IN SPORTS/ BOXING
- Nauru National Olympic Committee NOC Manager – recently appointed (Sep 2018)
- Attended the 1st AIBA Gender Equality Forum in Sofia, Bulgaria ~ 17-18 Sep 2018
- Certified AIBA ITO (recently certified in June 2018)
- Team Manager for the Nauru Boxing team to the XV Pacific Games 2015 in Port Moresby, Papua New Guinea
- Secretary General of Nauru Boxing Federation since July 2013

EDUCATION

PIONEERING & PROUD MOMENTS IN BOXING

- First and only woman elected executive member with Nauru Boxing Federation;
- First woman Team Manager for Nauru Boxing team to the Pacific Games
- First and only woman in Nauru and the Pacific to become a certified ITO

SMALL “WINS” IN BOXING

Being able to encourage, influence and arrange for two of our former athletes and four of our current national coaches to become AIBA certified coaches gives me great satisfaction. Nauru Boxing Federation now has a total of 6 AIBA certified coaches (one AIBA 3 star, one AIBA 2 star and four AIBA star 1).

Furthermore, my first time as Team Manager taking the biggest boxing team Nauru has ever taken to any level of games and bringing home 3 silver and 2 bronze medals has been another great achievement for the team and for me personally. It was a big challenge to take a team of 8 boxers (7 males and only 1 female) and 5 officials, all of whom were men. There were lots of hurdles along the way and with perseverance, we came home with more medals than expected.

“The right tools, attitude and capacity, I believe every individual can bob and weave their way towards success”
Mr Mapu JAMIAS  
Country   American Samoa  
Year of Birth   1950

Mr. Mapu Saei Jamias started his relation with the noble art as a young boxer in American Samoa. After getting a degree by the University of Hawaii, he joined the US Army reaching the Lieutenant Colonel grade.
