AIBA KEY ACHIEVEMENTS

✔ Enhanced governance with more frequent Executive Committee Meetings, fully engaging all of the members in decision-making

✔ Empowerment of AIBA National Federations (involvement in the development of the new Constitution)

✔ AIBA's financial stability & quality decision-making despite the past burdens and new COVID-19 consequences, avoiding AIBA’s bankruptcy

✔ Total transparency for a democratic election process with historic seven candidates eligible

✔ More efficient AIBA Commissions centered around diversity, gender equity and high level of expertise
AIBA KEY ACHIEVEMENTS

✔ Clean sport at the core of AIBA’s strategy and full compliance with World Anti-Doping Code

✔ New competition with innovative format - Global Boxing Cup to be launched in 2021

✔ First ever online development courses for AIBA officials

✔ AIBA Medical Handbook has been updated to ensure the continued safety and health of AIBA’s Boxers

✔ New protest rule featuring a video review scheme in AIBA competitions ensuring fair-play and growing the trust from the boxers
In order to keep AIBA alive, here are some the cost cutting measures that we had to undertake with their results:

- reduction in external services (communication, consultants, etc) = savings of CHF 1.2M
- reduction in personnel with fair settlement = savings of CHF 1.2M
- reduction of travel expenses (pre Covid) = savings of CHF 0.7M
- reduction of meeting expenses (pre Covid) = savings of CHF 0.7M

The Executive Committee and the headquarter staff have been of a great support in those efforts and I want to thank them. I am proud of the results with 4.9M of savings comparing to the prior year.

FUTURE COMPETITIONS
On February 17, 2020, at an extraordinary meeting of the AIBA Executive Committee in Budapest (Hungary), it was decided to hold the Global Boxing Cup in 2021 in the Russian Federation.

Global Boxing Cup is a competition that will be held every 2 years in one country or in a group of neighboring countries.

GBC’s vision is to provide a platform for the best teams to compete against each other and allow them to evaluate themselves in an official framework.

Global Boxing Cup (GBC) is the only Team Olympic Boxing style competition regrouping the best nations.

Global Boxing Cup will be a team competition, available to National teams and/or National team selection. (Selection must be a combination of several regional/continental teams).

UPDATE ON WSB
WORLD SERIES OF BOXING

- No World Series of Boxing competition was organised in 2019 and 2020

- In summer 2019, World Series of Boxing’s financial situation was truly bad, with an imminent risk of bankruptcy

- After one year of procedure, and thanks to measures of restructuration, World Series of Boxing SA is now out of bankruptcy.

- The World Series of Boxing program can be relaunched once the world pandemic situation improves
