

Proposals for AIBA Development Program

R&J Committee

- Constant review of *the Technical and Competition rules*;
- Refresh *the AIBA R&J Regulations* (updated of R&J standards post Tokyo 21);
- Complete review of *the R&J Code of Conduct*;
- Database Refresher Course to be completed and delivered virtually;
- Special Course for Evaluators and Observers;
- Inclusion and diversity promotion through 'new' AIBA Inclusivity Toolkit;
- Corporate Identity – uniform for all R&Js at all levels;
- Sub-Committee for R&J Selection to form confederation POCs to assist with the selection of R&Js for future championships;
- Instructor Toolkit – cleaning and updating Instructor Pool;
- Updating R&J Course materials for the courses;
- Webinars and Continuous Professional Development in the Virtual Space.

Coaches Committee

- E-learning: online courses and webinars for the Coaches;
- Appointment of National level Instructors and creating Basics Manual for NFs to launch 1-Star Coaches Courses;
- Multilingual and multicultural courses to provide more courses at national level in local languages taking into account cultural features;
- Updating Instructor Pool through adding more experienced people, including Instructors for the Instructor Course;
- Collaboration with Universities to keep on track with development;
- Regular meetings in Teams-Coaches, Instructors, Confederations to carry on the work with the programs in between the meetings;
- Development of AIBA Youtube channel for video tutorials and exercise folders;
- Updating manuals and training materials.

Competitions Committee

- Elaboration of special criteria system to choose the most experienced AIBA Officials – No corruption / Good lifestyle / High potential for the job;
- Organize a special course for the AIBA ITO Instructors and thoroughly check them before the selection via interviews and other assessments;
- Assisting other committees with a selection process of the Instructors;
- Revision of the Bidding Book creation / Improvement of Bidding Processes for AIBA World Boxing Championships and High-Level Competitions;
- Organize cross-committee meetings to work closely together with the most urgent issues in order to take faster and more efficient decisions.

Women's Committee

- *Women's Aspire Program* – the courses for female Coaches, R&J, ITO's, doctors and sport managers across all 5 confederations. The pilot project to be held in the Assisi Academy in late autumn 2021.
- *Boxer to Coach/R&J/ITO*: at Elite Women championships there should be a development programme ran alongside the championships for those boxers who are eliminated in the preliminary rounds.
- *Women's Committee Webinar* – monthly webinar on various topics.
- *Women's Community of Practice* – 2-4 sessions per year for female Coaches, R&J, ITO's and Administrators for each group to come together for a networking opportunity and to explore different topics for discussions.

Medical & Anti-Doping Committee

- Educating 3 active doctors to deliver the Ring-Side Doctor and Cutmen courses (could be organized either in Assisi or in Greece);
- Forming and updating the list of all active doctors from NFs as well as rating them (e.g. National Doctor, working in Continental championship etc.);
- Create an electronic database of medical history and all medical examinations;
- Organize First-Aid Course for the Coaches within the championships as well as a separate Course for Cutmem.
